

# Financial Analyst 1 Position

**\*Urgently required \*Start Immediately**

**American Appraisal (Thailand) Ltd., (AA Thailand)** is a Thai registered company that provides a complete range of valuation services to businesses in Thailand. Established in 1974, it is the longest-serving valuation firm in Thailand. Since its establishment, AA Thailand has been providing local and international clients with a full spectrum of independent valuation and consulting services in areas that include real estate, machinery and equipment, business enterprises, share capital, intellectual property and other intangible assets. We are seeking to hire a financial analyst to work with us.

Responsibilities and required qualifications are as follows;

## **Responsibilities :**

- Develop financial models for property/business valuation
- Conduct economic and industry research for making assumptions for property/business valuation
- Conduct financial feasibility study to project returns on investment and other financial considerations

## **Qualifications :**

- Master's Degree in finance, economics, MBA, real estate or related fields.
- Excellent analytical skills, including proficiency with Microsoft office applications
- Good command of English
- Be able to travel to provinces
- Knowledge of the real estate industry is preferable
- New graduates are welcome

Interested applicants are invited to apply in person or submit application with full resume indicating qualifications and experience and a recent photo (must) to:
